Mr. Greg Stiles
Art Director
G. Stiles and Design
1234 N Spokane St.
Spokane, WA 99212

Dear Mr. Stiles,

Thank you for considering me for the Graphic Design position at G. Stiles and Design. I was excited to hear about the opening as I have been a long time fan of your work and hear only the best of things about your business. I feel that I would make an excellent contribution and would fit in well.

I am a recent graduate from the Spokane Falls Community College Graphic Design program. I have gained much experience both at school as well as a freelance designer. I excelled in areas such as logos, posters, advertising, social media marketing, brochures and package design. I have also become proficient with the Adobe programs such as Photoshop, Illustrator, InDesign and Acrobat.

I take pride in the work I produce and value a quality job. I work hard to meet the needs of clients and work well along side a team. I thrive on meeting goals and deadlines. I consider myself to be a strong communicator and excellent listener.

I look forward to meeting with you to further discuss my qualifications, goals and portfolio. I will call your office next week to arrange a time to meet.

Thank you for your time and consideration.

Sincerely,

Simon Hartt
